ARE YOU GOING TO STRUGGLE THROUGH ANOTHER YEAR  
WITH INADEQUATE LAWN AND GARDEN EQUIPMENT?

Is most of your time going to be spent in routine drudgery instead of creative,  
productive work to make your grounds more attractive, your garden more productive?

Or will you take advantage of this NEW, exciting POWER-PLAN FOR YOU that will:

- \* Plan your needs for power equipment
- \* Assure you, IN ADVANCE, of satisfaction with the equipment you buy
- \* Help you purchase the equipment you need-when you need it?

The biggest mistake you can make is to buy equipment that isn't suited to your work. The powerful 6.6 HP Gravely offers you a choice of 30 different tools and attachments. Each tool and attachment performance-proved, interchangeable in minutes, all powered by the one Gravely Tractor.

The Gravely, through its new idea, the POWER-PLAN FOR YOU, offers you a sensible, systematic, budget-wise plan to acquire the right equipment for your job.

The Circular, "Gravely's New POWER-PLAN FOR YOU" gives you the highlights of this plan...that assures you of satisfaction, IN ADVANCE.

Read it carefully. Then mail the postage-free return card. You will receive the 24 page, profusely illustrated booklet "Power Vs. Drudgery". It shows you how Gravely will make your tough jobs easy...fast...do them efficiently! No cost, no obligation.

Take this first step towards putting your POWER-PLAN FOR YOU into effect today. Mail the card...NOW!

Yours sincerely
