

# GIVE YOUR BACK A BREAK...

StevenChalmers.com

Gravelly 12 HP Convertible Tractor w/dual wheels, and  
Hauling Cart

# GET A GRAVELLY HAULING CART

Gravely 8 HP Lawn Tractor w/34" Mower and Hauling Cart

Gravely 12 HP Riding Tractor w/40" Mower and Hauling Cart

Give your back a break. Don't break it or overwork yourself by lifting and carrying those heavy materials. Just put them into a Gravely Hauling Cart and make short work of otherwise long, tiresome jobs. Haul the material where you want it and then dump it by using the cart's handy dump lever; located so you can operate it from the driver's position.

The Gravely Hauling Cart is an all-steel unit — hauls up to half-ton loads — is attached and detached quickly. Features Pneumatic tires on easy to mount steel wheels.

Models available for all Gravely 4-wheel Riding Tractors, 408 Lawn Tractor, and 2-wheel Convertible Tractors.

Gravely . . . the one to buy first because it lasts!

For more information and a free demonstration, see or call us today. We'll be more than happy to counsel you on the best equipment for your particular job requirements.
